TECHNICAL SKILLS

- Java, Python, SpringBoot
- HTML, CSS, Tailwind CSS
- MySQL, Postgres, MongoDB
- Typescript, React, Next JS
- JavaScript, NodeJS, Express
- Github
- Figma

NON-TECHNICAL SKILLS

- Problem Solving
- Leadership, Team Player
- Communication
- Time Management

About Me

I am an ambitious undergraduate pursuing a Computer Science degree at the Informatics Institute of Technology in Sri Lanka, in affiliation with the University of Westminster, UK. I am deeply enthusiastic about exploring emerging technologies and continuously expanding my knowledge in this fast-moving digital world. I look forward to challenging myself, contributing to impactful projects, and becoming a stronger version of myself every single day.

EDUCATION

BSc(Hons) Computer Science - University of Westminster

Sep 2024 - Present

2nd Year Modules

- Object-Oriented Programming - Ongoing
- Database Systems - Ongoing
- Software Development Group Project - Ongoing
- Client-Server Architectures - Ongoing
- Algorithms and Data Structures - Ongoing
- Mobile Development - Ongoing

1st Year Modules

- Computer Systems Fundamentals - 89%
- Mathematics Computing - 88%
- Software Development I - 77%
- Web Design and Development - 73%
- Software Development II - 67%
- Trends in Computer Science - 64%

Foundation Certification- Informatics Institute of Technology

Sep 2023 - April 2024

- Distinction

EXTRA CURRICULAR

Hackathons & Competitions

- Mini HackSphere '25, IEEE IIT – 3rd Place, 2025
- HackSphere'25, IEEE IIT - Participant, 2025
- Coderelly 6.0 IEEE CS IIT - Participant

Leadership & Positions

- Vice Chair, Stack Medium, IEEE Computer Society, IIT – Present
- Secretarial Coordinator, IEEE Computer Society, IIT – Present

Volunteering

- Volunteer, Coderelly 6.0, IEEE Computer Society – 2025
- Volunteer, HackSphere '25, IEEE IIT – 2025

Other Qualifications

- Trinity College London: Theory up to Grade 7, Practical up to Grade 5
- Wendy Whatmore Academy: Speech & Drama up to Grade 6

REFEREES

Shehan Kumar

Chief Growth Officer - Parenthrive
Visiting Lecturer - IIT
Tel: +94727249324
Email: shehanrk@gmail.com

Thilanka Anurada

Senior Product Development
Merchandiser - Ebony Holdings
Tel: +94753660339
Email: anurada@ebonyholdings.com

Holy Family Convent Bambalapitiya

2012 - 2023

G.C.E Ordinary Level (2022)

- Passed all 9 subjects at G.C.E Ordinary Levels with a result of 6A, 2B, and C

PROJECTS

All-Rounder (SDGP)

Oct 2025

Developing a digital platform that centralizes and manages students' extracurricular activities, helping them gain better visibility, recognition, and access to opportunities.

Skills

- Next JS, Tailwind CSS, Node JS, Express, Postgres, MongoDB
- Time Management, Critical Thinking, Communication

Student Management System

Sep 2025

A full-stack Student Management System that allows users to efficiently create, update, view, and delete student records through a modern, user-friendly web interface.

Skills

- React, Node.js, MySQL, Tailwind CSS
- Time Management, Creativity

Parcel Tracking & Delivery Management System

Sep 2025

Developed a full-stack parcel tracking and delivery management system for the Sri Lanka Postal Department. The application enables users to manage post offices, register parcels, update delivery, and track parcels.

Skills

- Thymeleaf, Spring Boot, MySQL
- Time Management, Critical Thinking, Database Modelling
